

## 1.5HP 8" Professional Bench Grinder

### Features:

- True 1.5HP motor: Delivers 41% more torque for effortless material removal and superior performance.
- Runs cooler: Improved sealed cooling system keeps operating temperatures up to 9% cooler than competitors, reducing wear and tear.
- Enhanced durability: High-tensile cast aluminum base and body provide superior strength while maintaining a lighter weight.
- NVR & E-Stop switch: Ensures safety by cutting power entirely during outages and preventing accidental restarts.
- More power for big jobs, less wear for everyday use: Ideal for professional and industrial applications.

**Part No:** ATBG1100/8

**Item Code:** 811513

**Input/Output:** 1300W/1100W-  
1.5HP

**Amps:** 5.3

**Volts:** 240V-50Hz

**RPM:** 2850

**Wheel Size:** 200mm/8"

**Spindle Diameter:** 16mm

**Length:** 255mm

**Width:** 435mm

**Height:** 280mm

**Weight:** 21kg

**Barcode:** 9312198865912

## 1.5HP 8" Professional Bench Grinder with AA362 Linisher
