

PRODUCT DETAILS

The COAST SLAYER with Laser is a rechargeable flashlight with a sleek aluminium frame.

Featuring a Dual Optic system, it offers a multi-mode spot beam (High, Low, Turbo, MoonGlow™) and a red laser.

The laser is perfect for highlighting details and presentations. With two magnets for hands-free use, a charge level indicator and quick USB-C recharging, it's built tough, dust resistant and waterproof.

Backed by a lifetime warranty.
